

Behold, I am with you always,

*even to the end of the age.*

Aftertime. I will be there. After dreams I will be there. After defeat and victory I will be there. After love I will be there. After joy and friendship I will be there. After the last song has been sung and the last word spoken. Yes I will be there. When the laughter and cheers are gone I will be there. After rage and terror, and fear. Yes I will be there. When you are all alone and there is no hand left to hold. I will be there. I will be there to make all things new. Joy laughter and love will abound forevermore. Friendship progress success and virtue will be forevermore. Faith and victory and peace will be forevermore. Beauty majesty and glory will be forevermore. Eternal life is in My hand forevermore. I am Jesus. I am forevermore.
