

This is God. I cannot be put in a box. I cannot be contained or defined. You will never understand Me with the mind that you have now. Why not step out of your box and dare to believe the incredible promises that I have given you. My answers and actions have eternal consequences. Why stumble around in the dark when you can have more of My heart and My eyes. The world gives you boxes, but I give you everlasting freedom and revelation. Step out of your box. enter into My amazing creation. Do not be boxed in. I want to show you who I am and how much I love you.
